&lt;p&gt;Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in World War I and it is your duty to command your troops and lead them to victory. Before you start each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help them advance across the battlefield to defeat the enemy. Your troops will only advanced when you have a certain number of soldiers in one place.&lt;/p&gt;

&lt;p&gt;Keep pressure on your enemy and keep your troops advancing. You must use a combination of troops to advance - don't simply use one type of troops - try using everything at your disposal such as riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. This game is fun but also tactical and it will really make you think about your troop deployment and options!&lt;/p&gt;
