Meet the master of parkour in Vex 7, a casual browser-based online game that takes you to the rooftops of skyscrapers for some adrenaline-pumping stunts. The game revolves around a parkour expert who needs your help to complete an extraordinarily challenging mission. Your task is to keep the character agile and fast by passing numerous tests that require the highest reaction speed.

Before you begin your journey, you must choose between two game modes: a standard game or the Tower of Terror. In the standard game, your character, Vex, progresses through increasingly complex levels. Your task is to help Vex complete all the tasks and navigate the obstacle course to the finish line to advance to the next round. In the Tower of Horrors, Vex must climb higher and higher while avoiding deadly enemies and traps. The ultimate goal of Vex 7 is to move around the map with Vex, helping him with various jumps.
