<p>Version</p>

<p>The Classic version was the first development stage that had some of its versions released to the public. It was initially named "Minecraft Alpha

<p>. So it is the version before all the updates and expansions.</p>

<p>To start with, you only have 32 blocks so your building capacities will be limited.</p>

<p>In the classic version, the arms of the character wings wildly around when you are walking. It's hilarious!</p>

<p>This game has become even more popular due to well-known YouTubers such as PewDiePie and Lazarbeam creating Minecraft classic content. These videos draw

<p>millions of views and help players learn about the game. Why not jump into creative mode and give this classic a try?</p>
