Drawbacks of Cash Out Refinance [If you miss enough payments, you risk losing the house](#). A cash out refinance should not be approached with the same nonchalance as opening a Macy's credit card. It's a serious investment, with serious, long-term implications should things go south.

[Cash Out Refinancing: Pros, Cons, & Alternatives - Debt](#)
debt : real-estate : mortgages : refinance : cash-out

[Best. When buying a home, "cashing out"](#)
usually refers to a homeowner refinancing their mortgage to access the equity they've built up in their home. This means they take out a new mortgage for more than the remaining balance on their current one, and receive the difference in cash.
