Run: A "run" or "sequence" is a set of 3 or more cards of consecutive ranks (irrespective of suit) - such as 9-10-jack or 2-3-4-5. Note that ace is low so for example ace-king-queen is not a run. The player of a card which completes a run scores for the run; the score is equal to the number of cards in the run.

earned runs is the key counting statistic used in ERA, the most widely accepted barometer of a pitcher's success.

If there are no errors or passed balls in a given inning or game, all the runs in that inning or game are earned runs
