Each selection within a Multi bet is calle

d a leg. The total odds for your Multi will be calculated b
y multiplying the odds of each individual leg.

The more legs you in
clude, the more you stand to win which makes Multi bets more attract
ive and exciting than taking a number of Single bets.

A multi bet

combines a series of single bets into one wa

ger, the odds multiply with each additional leg of the bet.

Each

time a leg is successful, the winning dividend from that leg is wagered o

n the next leg. The more legs

added to a multi bet, the greater the ris

k and, the greater the reward.
