created by ninjamuffin99. In this game, you need to impress your lover#39;s ex-
rockstar father with the power of music! You must survive multiple weeks of free
style music battles to win him over. Press the arrow keys in time with the music
to outdo your opponents. In the story mode, you need to mirror your opponent#3

the beats get much more complicated later on with the introduction of duets. You
can also enjoy the free play mode and enjoy all the cool beats and characters t
his game has to offer. Feel free to adjust the difficulty to your liking and sta
