This bloody (literally) genre inflicts viewers with graphic visuals. Guts are spilled, eye balls are spliced out with surgical knives, the human anatomy is split wide open to give us a closer look at the organs in our body. However, these also have a cult following and include some of the best stuff you can watch with your friends on night-outs.

Here's a list of 25 gut-wrenching films, which make you question as to how much is too much?

1. Requiem for a Dream (USA), 2000

Not much for blood or gore, but this is one harrowing movie about a couple of drug-peddlers, a sex worker and an elderly woman hell-bent on losing weight via diet pills. Deeply depressing.

2. The Evil Dead (USA, 1982 & 2013)
