

Action horror games usually have a faster pace than survival horror games and are often more thrilling and visceral. Yet this might backfire for some gamers, especially those who enjoy slow-burn horror.

5 Different Types of Horror Video Games, Explained - MakeUseOf : horror-video-game-subgenres-explained

Psychological horror games may not depend as much on action compared with survival horror games, instead giving time for the player to explore and witness events.

Horror game - Wikipedia : Horror_game

Four Colors lets you play the popular card game for free in your web browser. The aim of the game is to be the first player with no cards, similar to other Crazy Eights style card games. Play a game like UNO in multiplayer with 2, 3, or 4 players.
