the deal Friday. Microsoft acquired gaming giant Activision Blizzard on Friday. Microsoft has successfully persuaded regulators around the world to clear the way for the company to acquire Activision. This is a big deal for Microsoft because it would give them access to one of the most popular gaming franchises in the world. Microsoft has been trying to acquire Activision for a long time but has been blocked by regulators. Now that the deal is approved, Microsoft can finally acquire Activision and bring it under its umbrella. This is a huge win for Microsoft and a huge loss for Activision. Microsoft will be able to use Activision's games to attract more gamers to its Xbox console and to its online gaming services. Activision will be able to benefit from Microsoft's marketing and distribution power. This deal is a game-changer for the gaming industry.
