Blockbuster military action game

Call of Duty: Modern Warfare 2 is the epic first person shooter sequel,

with a globetrotting single player campaign and hugely popular online multiplay

er modes.

Modern Warfare set a new standard for first person shooters. With Call

of Duty: Modern Warfare 2, Activision ramped up the drama and Hollywood action.

The game also created a ton of controversy with its 'No Russian' mission

. The single player campaign offers a series of impressive set pieces and action

packed missions. The plot is pretty convoluted, but it allows for some memorabl

e gameplay.

Online multiplayer is really well served in Call of Duty: Modern Warfar

e 2. It mixes RPG experience gains and character development with the FPS games

like Team Deathmatch, Sabotage and Capture the Flag. In game achievements will g

et you perks that can help during battle. There's a maximum of 18 players pe

r match, which make for competitive games.

With excellent graphics, a cinematic soundtrack and plenty of emotion,

Call of Duty: Modern Warfare 2 is a masterpiece of its genre.
