Slime Buddies is an arcade game where you have to throw your character from one end of the level to the other using slime as platforms to help you complete each level. Throw yourself over rolling obstacles, into fireballs to get an extra boost and into space for zero gravity! Check out the different slime types and all the different characters you can play from! If you do each level properly, you'll pass the finish line covered in slime! When you feel like you're a pro, try out the arena mode and see how fast you can hit

the buddy in a time trial!

How to play Slime Buddies?

Throw buddy: Click and drag using the mouse, release to fire!

Throw the buddy into the slime to help progress and aim for the finish

line in each level! Don't forget to collect the coins as you pass them!

Who created Slime Buddies?

Citing many examples, he defines "terror" as the suspenseful moment in horror before the actual monster is revealed.

"Horror," King writes, is that moment at

which one sees the creature/aberration that causes the terror or suspense, a "shock value."
