<p&gt;&lt;/p&gt;&lt;p&gt;Iron Fox Games x Poki Partnership - Announcement! Ba
ck in late May we announced a small division inside Iron Fox🎅 Games we
e labeled as Second Monitor Games. Since then we ve launched our first game call
ed http://PvPz.io which has seen over🎅 20,000 players through its doors!
On the back of that we re announcing the start of a two game partnership with \%#
127877; the world s leading web game portal Poki! First up we re building a game
     re calling Up Together. It is a🎅 3D platformer. You play as food that
t has recently become sentient and is trying to escape the kitchen. Figure out&#
127877; the right pattern or sequence with your friends or strangers online to s
ee who can get out of the kitchen. 4127877; This fun, whimsical take on the popu
lar genre is bound to be a crowd favourite. The second title we re working&#1278
77; on is called Reel World. One of the player behaviours we observed in PvPz wa
s players trying to complete their $\#127877; collections using any means available
e. We were inspired by that play style and built a Social Fishing Collection gam
e with🎅 a cute aesthetic that rewards collecting everything! In this gam
e you will be able to play in a multiplayer server🎅 with your friends, c
ollect fish, and uncover the secrets of the Reel World Island. Both games will b
e launched exclusively🎅 on Poki or available through their homepages bef
ore the end of this year. We hope you enjoy these games as 🎅 much as we e
njoy building them. Expect an official announcement to follow when the first tit
                  goes live🎅 in the coming weeks.</p&gt;
