127918; Earn to Die 2: Exodus

We are now returning to the Earn to Die Games series from our website, where right now you are all invited to check out the game entitled Earn to Die 2 : Exodus, which is the second game in the series, which is pretty obvious from the title and image, which is going to bring back all of the amazing things that so many of you enjoyed from the first game, and put them through all new and fresh levels, which we have played, and with which we have had lots of fun. If you want, you can learn how these games work by reading the description to the end!

First, you have to choose a car, with the options you have being more as you advance and get more points. With that car you will be going racing through the desert, where you should try and eliminate as many zombies as possible with your car, getting points in return, which you can then use for upgrades. Guns and all sorts of other things can be bought with points. Good luck to everyone playing the game, and when you are done, check out the many other new games we have added on our website all day long, because each one of them is great, so they will be worth your time, guaranteed!
