Call of Duty: Black Ops IV is a payed game, which you

need to purchase as a disc (physically) for your Xbox One/One S/Series X or digi

tally on the Microsoft Store, for any Xbox One/Series X|S console.

Because of that, this game requires an active Xbox Live Gold subscription or Xbo

x Game Pass Ultimate.

The game can be obtained digitally through the Xbox Live Marketplace

or physically through retailers that still carry Xbox 360 games. T

he online multiplayer aspect might still be functional, enabling players to conn

ect with others for multiplayer gameplay. 3. PC (Microsoft Windows): Black Ops 1

is also playable on PC.
