<p></p><p>Activision Publishing, Inc. is an American video gam
e publisher based in Santa Monica, California. It serves as the publishing busin
ess for its parent company, Activision Blizzard, and consists of several subsidi
ary studios. Activision is one of the largest third-party video game publishers
in the world and was the top United States publisher in 2024.[5]</p>
<p>The company was founded as Activision, Inc. on October 1, 1979 in Sunny
vale, California, by former Atari game developers upset at their treatment by At
ari in order to develop their own games for the popular Atari 2600 home video ga
me console. Activision was the first independent, third-party, console video gam
e developer. The video game crash of 1983, in part created by too many new compa
nies trying to follow in Activision's footsteps without the experience of Ac
tivation's founders, hurt Activision's position in console games and for
ced the company to diversify into games for home computers, including the acquis
ition of Infocom. After a management shift, with CEO Jim Levy replaced by Bruce
Davis, the company renamed itself to Mediagenic and branched out into business s
oftware applications. Mediagenic quickly fell into debt, and the company was bou
ght for around US\$500,000 by Bobby Kotick and a small group of investors around
1991.</p>
<p>Kotick drastically revamped and restructured the company to get it out
of debt: dismissing most of its staff, moving the company to Los Angeles, and re
verting to the Activision name. Building on existing assets, the Kotick led Acti
