This movie has too much violence and gore.

This is definitely not for kids

and especially when their brain is still developing.

s not particularity good, but it does its job in keeping you in an pleasant view

ing as well as showing some very disturbing stuff - this movie is no

t for children, that is for sure. Overall, "Terrifier" is

not bad horror movie overall. Its very disturbing, but its not a gore fest (i h) Tj T* BT /F1 12
