Each Minesweeper game starts out with a grid of unmarked Squares. After clicking one of these squares, some of the squares will disappear, and some will remain blank.

When you click a square, it will either be a mine or a number. The number tells you how many mines are adjacent to that square.

The goal is to clear a path from the starting square to the flag without touching any mines.

Filming for the pilot episode began in April 2024 throughout New Orleans. Principal photography for the rest of the series began in New Orleans on July 25, and concluded on December 15.

The Winchester brothers Dean and Sam, together with their father John, hail from Lawrence, Kansas in the USA.
