&lt;p>Minecraft Classic is an online version of the famous open-world sandbox

building game. It is a remake of the original Minecraft and was rele

ased for its 10th anniversary by the developer Mojang. In the game, players can

build in creative mode using 32 available blocks. The game has a mult

iplayer feature so you can play with up to 8 friends.

&lt;p>History

&lt;p>Minecraft was first released to the public on 17 May 2009. T

oday it is published in the exact state of its initial release. This

means that there are only 32 blocks that you can build with, and all the origina

l bugs are in there! So if you are used to the latest version, it can

be quite a shock to see how the game has evolved. To quote Tom Stone

from Mojang "With just 32 blocks to build with, all the original

l bugs, and an (inter)face only a mother could love, Minecraft 2009 is even more

glorious than we remembered!"
