Cat's Party is a physics-based skill game where you're a cat alone in the dark city trying to make its way to the safety of other feline companions.

There's a cat party at the rooftop and your job is to reach it. Drag and release your cursor or finger to send the cat flying up. Hold on to windowsills, platforms, pipes, and basically anything you can latch on to - and jump higher!

When Samara was kept in the attic, she said the noise the horses made bothered her, so she psychically attacked them, and made them all terrified of her to the point of running into the sea and killing themselves. The reason the horse on the ferry kills itself is that Samara left her imprint on Rachel.
