Age Of War

Well,

to be honest, the name of the newest Age of War game, whose main

objectives É are to defend your own kingdom and vanquish the opposition, is ver

y lame. Let's attempt to explain our reasoning. The É answer is straightfor

ward: after beginning the battle, we got so engrossed in it that we spent an hou

r or so É working to solve the puzzle. What drew us in so strongly that it was

challenging to leave. The first is É enjoyable since it introduces you to amusi

ng characters who are struggling to survive. The second is that we gradually mov

ed É into the era of knights after the battles of primitive people with the aid

of everyday weapons like sticks and É riders on dinosaurs, then there was the

era of musketeers, the era of common warriors with machine guns, the era É of t

anks, and the final era - space warriors!

You have a set amount of money at your disposal, which you É can emplo

y to build a sizable or merely numerical army. Additionally, there will be three

different sorts of soldiers in É every era save the last two, and four to five

in the latter two. Tanks and super warriors will be É present in the latter.&
