Call of Duty is a 2003 first-person shooter game developed by Infinity Ward and published by Activision. It is the first installment in the Call of Duty franchise, released on October 29, 2003, for Microsoft Windows, PlayStation 2, PlayStation 3, and Xbox 360. It is also the first Call of Duty game to be released on the PlayStation 3 and Xbox 360. The game is set in World War II and follows the story of a group of soldiers who are sent to the Pacific theater to fight against the Japanese. The game is praised for its realistic and immersive gameplay, as well as its story and characters.

PlayStation is the primary destination for Call of Duty games, with an install base of more than 150 million consoles, ensuring Sony gets a cut of every game sale on its platform and also a commission on in-game microtransactions.
