<p>What are 2 Player Games?</p>

<p>Cool 2-player games to play with your friends</p>

<p>2-player games are fun games designed for two people to share the keyboard and play together. So pull up an extra desk chair, because here at Kizi you'll find all of the most popular two player titles like the Fireboy and Watergirl series, the Money Movers adventures, and many more! In each of these games, the players each control one of two characters using the arrows and WASD keys. Each character has unique abilities that complement the skillset of the other. Choose your character and work together to clear all of the obstacles. You'll have to communicate with your partner to solve each challenging puzzle level, because you won't make it without good teamwork. It's not enough for just one character to reach the door to the next level, you both have to make it there. If one character dies along the way, both players will have to start the level over!</p>
