<p></p></p>A revista "Brasileirão Ozzo" Recently
, wrote an article about the biggest derby in Minas Gerais, the "Cláss
ico Mineiro," disputed between 🌈 Clube Atlético Mineiro and C
ruzeiro. The rivalry has its origins in the 1920s, when both teams were founded,
and is 🌈 considered the second-most popular derby in Brazil, behind Co
rinthians x Palmeiras.</p>
<p>The main disputes between these two teams began years after 🌈
Cruzeiro, originally named Sociedade Esportiva Palestra Itália, was founded
in 1921. However, it was in the 1940s that the rivalry 🌈 strengthened
and became the largest derby in Minas Gerais, rivaling any other football compet
ition in the state during the 1960s.</p>
<p>At 🌈 the time being, Atlético competes in several sport m
odalities; however, it has an excellent historical record in football, providing
the 🌈 most international-class players of any football club from Minas
Gerais. In contrast, Cruzeiro, which holds the largest number of national
752; football titles, is considered the second most popular football club in Mi
nas.</p>
<p>It's interesting to mention that even though both teams 🌈
hold a historic rivalry in football, a study reveals that each team has unique f
an characteristics. Atlético fans are predominantly 🌈 males (76%)
from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience:
with more than 50% of fans being female 🌈 and having a prevalence of i
ncome ranging from middle (32%) to high levels (28%).</p>
