Roper is a platform game where you control a running character with a single tap across many levels with obstacles 🎅 and cliffs. Your character runs automatically and only stops when he hits a solid object or a wall. Tap and 🎅 jump at the right moment to keep your character running in the right direction, and tap again and hold to 🎅 swing off of platforms with the brown circle. You must collect all of the coins in the level to successfully 🎅 complete it. Can you finish all 100 levels in Rope
