

O O bet365

PoKi is a group for "extraordinary propkillers" from all around the world. Propkilling has its roots in DarkRP where it started as a way to counter RDM-ers and quickly get out of a situation by prop surfing. This was in 2007/2008, propkilling has since then become an artful mastery with steep learning curve. Watching a propkill battle today is a very impressive display of serious skills
