ãStorm Land is in danger. Monsters are flooding into
this land and aiming to take over it. Its fate is 🌞 in your hands. It s
up to you to protect the peace of Storm Land. Here at friv online, you have
27774; only one tower to defend this land. You have to do everything that you n
eed to do to protect it. 🌞 So, the tower is placed in the center of the
battlefield and there is a circle around the tower. Monsters 🌞 approac
h your tower from all directions and once they enter the circle, your tower will
auto-attack the nearest one. Your 🌞 ultimate goal here is to defeat as
many waves of monsters as possible. Your enemies become stronger with each wave
. 🌞 Furthermore, their movement speed increases as well while you have
a single shot. To deal with them, you have to 🌞 upgrade your tower in t
erms of attack, defense, and HP. Break a leg and challenge yourself in other fun
Friv 🌞 10 tower defense games such as Run Evil Defenders and Tower Def
ense Super Heroes. Here at friv action, you can 🌞 earn gold coins from
daily rewards, missions, and killing enemies and get silver coins from killing z
