Plutonium vulnerable to the same exploits? # Not at all! In fact, our development team has taken steps to patch these vulnerabilities that still exist on the Steam versions of these games as well as the console versions.
Improved Security - Plutonium Project

Plutonium is what's known as a false positive (your antivirus thinks P) Tj T* BT

his project have been working on this project for years and tons of hard work has gone into this.
Why is my antivirus saying Plutonium is a virus?
