div></div></div>Some are movies are just spooky. Gentle thrills can
let kids explore fears in a safe environment. Others movies can be very scary a
nd even violent. Scary movies that contain violence or adult content
can have harmful effects on young viewers' behavior and mental health.</

lt;/div></div>Ultimately, you know your child best. If they ask you to wa
tch or play something that might be scary, consider each child on an individual
level. It might be appropriate for them to engage. It could even be best for you
to watch/play whatever it is together to ensure they don't become overwhelm
