. But is there a fundamental solution to this problem? It hasn't been in

vented yet. In Traffic Jam 3D, you will be sent to a busy road where you must

go through the traffic as rapidly as you can. The objective is to cover as

much ground as possible while avoiding all the autos. You must show up on time a

nd early at the checkpoints.

In the game Traffic Jam 3D, you will be driving through congested t

raffic. There will be a total of 4 modes available to you. You will finish a

number of levels in career mode, earning rewards along the way. In the

Infinity mode, your goal is to avoid crashes for as long as you can. You will strive

to get to specific checkpoints in the time trial mode before your time runs

out. The final mode is free mode, where you are free to do anything. You ca

n buy new enhancements for your car or even a brand-new one with the prizes
