Galgos are intelligent dogs and can be trained by motivating them with rewards. It is important to teach them its name and to come to the call. In general, they don't enjoy obedience or other canine skills, prefer to be walking, socialising with other dogs or people, exploring, running and, if not, sleeping!

Working dogs such as kelpies are recommended to receive at least 2 hours of exercise a day. This includes several walks, running and games for their mental stimulation. It's these high energy pups that need homes which can give them an outlet to express their temperament.
