<p></p><p>A tweet from Phil Spencer, Microsoft Gaming s CEO, r ead: We are pleased to announce that Microsoft and @PlayStation have signed 🔑 a binding agreement to keep Call of Duty on PlayStation following the ac quisition of Activision Blizzard. We look forward to 🔑 a future where p layers globally have more choice to play their favorite games. </p>
<p>In the United States, the FTC had argued 🔑 the acquisition dea I would hurt consumers whether they played video games on consoles or had subscri ptions because Microsoft would have 🔑 an incentive to shut out rivals like Sony Group.</p>
<p>However, Judge Jacqueline Scott Corley ruled on 11 June: The FTC has 🔑 not shown it is likely to succeed on its assertion the combined firm w ill probably pull Call of Duty from 🔑 Sony PlayStation, or that its own ership of Activision content will substantially lessen competition in the video game library subscription and 🔑 cloud gaming markets. </p>
<p>To address the FTC s concerns, Microsoft had agreed to license Call of Duty to rivals, including a 10-year 🔑 contract with Nintendo, contingen t on the merger closing.</p>
<p>On Sunday, Microsoft did not disclose the duration of the agreement wit h Sony.</p>
<p></p>
