It's great to see the Brazilian national team active again, with a high-profile friendly match against Spain, which ended in a 3-3 draw. Rodrygo, one of the team's star players, raised some controversy with his comments about the refereeing. Despite this, the game was a hit with the public, achieving the highest audience in four years for a friendly match on Globo TV.

The upcoming matches for the Brazilian national team are promising to be exciting, with a busy schedule of friendly matches in the United States and, of course, the Copa America and World Cup qualifiers. The team's coach, Dorival Junior, is also expected to announce new talent for the squad in the coming months. In the game against Spain, we saw a new young Spanish talent, Lamine Yamal, who's only 15 years old! He's already being called the 'Endrick of Spain', drawing parallels with Brazil's rising star, Endrick, who's also a wonderkid. This new rivalry between Brazil and Spain is sure to make future matches even more thrilling!

Whether you're a fan of the Brazilian national team or just love soccer, it's clear that there's a lot to look forward to in the coming months!
