<p></p><p>The game is similar to candy crush, except that instead of candy, we have Harry Potter characters. The game is 💪 structured on levels, which have an increased level of difficulty as they are passed successfully. At each level, you will 💪 have a limited time to solve it. You will have to match at least 3 characters in the same row 💪 to earn points. Try to solve the level as fast as possible so that in the end you make sure 💪 that you manage to win it.</p>

<p>Here you will also meet boosters or special powers that you receive as a gift 💪 depending on how many characters you join in the same row. For example, if you manage to unite five characters 💪 in the same row, you will receive extra points and extra time to continue the level and manage to collect 💪 more coins. The game is suitable to be played with your friends because they can also give you hints to 💪 help you identify the matches in the game map faster. You will also have fun together and be able to ㈑

O; test your attention together.</p>
